ACTIVITIES

The year under review is overshadowed by the outbreak of covid 19 pandemic and like any organisation in the beginning of the pandemic outbreak we slow down our activities, but subsequently we realised the fact that this pandemic is not going to control in near future, we started doing our homework in shaping various projects / activates for our future endeavours. We tried to keep in constant contact with our EC members and SSA' s through Zoom meetings for getting their views in making our projects more viable and result oriented.

OLYMPIC DAY CELEBRATION

Sri. Arif Muhammed Khan, Hon'ble Governor Lighting the Olympic Torch

In the light of pandemic situation the International Olympic Committee and Indian Olympic Association has instructed to limit the celebrations without huge crowd and assembly of people in large number. Olympians, Sports celebrities and sports trainers were advised to confine their activity inside home or training centres and to use electronic and visual media to reach people. The theme was “stay-strong, stay-active and stay-healthy”

Since gathering was not possible, KOA organised the celebrations in a different way strictly confining the activities within the standard security norms of covid 19. The State level inauguration of Olympic Day Celebrations was held at Kerala Raj Bhavan, Thiruvananthapuram. The Management is responsible for the matters with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and in accordance with the accounting principles generally accepted in India, including the accounting standards specified. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal

financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Managing Committee is also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged

with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters:

TDS not deducted and paid for rent payment of Rs.6 lakhs to Praveena Thompson and Advocate fee paid amounting Rs.3,30,000 to Mr.V.Giri.

Report on other legal and Regulatory requirements:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (b) In our opinion, proper books of account as required by law have been kept so far as it appears from our examination of those books;
- (c) The balance sheet, and the Income and Expenditure statement dealt with by this report are in agreement with the books of account;
